

LOT 2140

An 18th century Spanish walnut rectangular dining table, the thick single-piece top raised on scrolling trestle end supports united by a pair of wrought iron stretchers, height 77cm, length 159cm, depth 62cm.

Estimate: £200 - £400

Condition Report

2140. Let-in replaced edge along one side of top, and a repaired section to middle of edge. Some other repairs around edges of top. Some loss to edges of supports due to historic woodworm, but all fairly commensurate with a table of this age and type.
