## LOT 801

### Condition Report

The plinth base and lower section of the right-hand side has some surface mildew as it has been stored in slightly damp conditions. Some of the drawers are therefore a bit stiff. The top moulded trim and moulded pediment appear to have been added at a slightly later date. There are a few label holders missing and it is in need of a good polish.

### Additional Information

Each drawer - width 30cm, height 10cm, depth 30cm.
