LOT 910

An early 20th century oak and brass mounted haberdashery counter, fitted with twenty drawers and raised on block legs, height 91cm, length 182cm, depth 61cm (faults).

Estimate: £200 - £400

Condition Report

The left-hand side of the base section is loose and at present detached, will need a repair. The cabinet has been later mounted on to a set of wheels. Overall surface marks, stickers and scuffs to the drawers. A few glass fronts to the drawers are missing, but otherwise ok.
