LOT 60

Leslie Carr - Royal Navy Ships, some with Dazzle Camouflage, with Barrage Balloons, mid-20th century oil on canvas, signed, 72.5cm x 115.5cm, within a gilt frame.

Estimate: £200 - £400

Condition Report

60. Old uneven varnish has bloomed and discoloured, this and some surface dirt and a few emulsion splatters suggests the work would benefit from a clean. Small dent to cloud above central barrage balloon. Canvas a little rippled to bottom left corner. Protrusion to canvas bottom right with something wedged between stretcher and canvas. Frame with some minor damage to extremities. Generally, and despite the above, overall it is in good condition.
