## Condition Report

6. Previous cleans have left the paint very thin in areas resulting in either underpainting showing through or considerable paint removed to two of the dresses. Some touches of overpainting. Craquelure throughout. Old varnish is thick and uneven, it has also yellowed and discoloured. Surface scratch to wooden door frame on left hand side with associated minor loss of paint, lighter scratch near this too. Edges have some chipping to paint as slightly loose in frame and this is where the mount has rubbed. Kept behind glass but some detritus trapped beneath this. Frame with some cracking to composition and loss to corners but some loss to extremities overpainted.

6. This work is unsigned.
