

Objects of Virtú / Friday, 20th April 2018 / Lot 2439

## LOT 2439

An early 19th century gold mounted and agate snuff box, the waisted sides with engraved foliate scrolls, length 7.4cm.

Estimate: £300 - £500

---

## Condition Report

2439. General appearance is quite good but on closer inspection with a lens you can see a very small chip to the corner of the agate base panel and also some leaded repairs around the edges of the lid. From the inside you can see there is a small surface chip to the interior edge of the agate lid panel.
