LOT 22

G. Braun and F. Hogenberg - 'Brightstowe' (Map of Bristol), engraving with later hand-colouring, published circa 1581, 36.5cm x 46cm, within a gilt frame.

Estimate: £200 - £400

Condition Report

22. Significant restored tears to the top and bottom of the centre fold. Browning and light spotting throughout, heavier around edge mount. Some minor soiling to margins. Mount and backing do not appear to be archival. Frame okay. Not double-glazed and unexamined out of frame but some undulation to paper suggests it is not laid down.
