## Condition Report

1445. Flashed decanter - chip to base edge, small dent to collar and bruises to stopper. Faceted jug - small chip and minor bruises. Knotched jug - small glued chip to underside of foot. Petal foot jug - large chip to foot, small chip to rim. Pair decanters - both badly chipped at neck and with other smaller chips to bodies, probably matched stoppers. Small pair ewer decanters - badly chipped foot to one, other with chip to rim. Pair jars and covers - one with large chip to edge of cover. Pair small condiment - both badly chipped foot, other smaller nicks. Otherwise generally ok with small nicks/chips.
