LOT 2182

A George III mahogany three-tier dumb waiter, the turned and fluted column raised on tripod cabriole legs, height 111cm, diameter 60cm.

Estimate: £200 - £300

Condition Report

2182. The underside of the top tier, which is loose, has two sides of the turned plate missing and appears to have had a later support added. Otherwise there is some overall minor old surface marks, a small crack to the top turned support and has a good overall colour and patina. All three tiers have fairly minor water marks.
