## LOT 78

Archibald Thorburn - Oval Study of a Robin, watercolour with touches of gouache, signed, 20.5cm x 14cm, within a gilt frame.

Estimate: £400 - £600

### Condition Report

Light browning and age-toning throughout. Slightly faded with associated muting of colours. Very faint and pale spotting. Examination out of the frame reveals it has been laid down and that the mount has browned the paper beneath and left a brown line around the edge of the oval mount. It also reveals some scuffing around the very edges of the extremities. Mounts and backing are not archival. Frame in good condition but could be improved upon.
