

Collectors' Items, Works of Art and Light Fittings / Friday, 7th September 2018 / Lot 2598

## LOT 2598

Keith Newstead - a late 20th century carved composition stone birdbath, the stepped hexagonal top with three applied birds of stylized form, raised on a gently flared hexagonal pedestal, bearing incised artist's initials 'KN', height 126cm.

Estimate: £300 - £500

---

## Condition Report

2598. A few fairly typical and minor surface chips to edges but generally in good typically weathered condition. 126cm to the top of the birds. 97cm to the top of the actual bird bath.
