

Jewellery / Wed, 3rd October 2018 / Lot 593

## LOT 593

A 9ct gold, garnet and frosted rock crystal brooch, designed as a floral spray, London 1957, width 7.5cm.

Estimate: £60 - £90

---

## Condition Report

593. The garnet is in good condition. The flowerhead is in good condition. The hook of the clasp has been re-soldered into position. The construction of the fern-like leaves is somewhat crude, it is possible that one leaf has been removed. Weight 11.7g.
