

Photographs, Autographs and Ephemera / Tuesday, 30th October 2018 / Lot 3219

### LOT 3219

PHOTOGRAPHS. An album containing a set of 11 photographs by Frederick Austen from Faversham, Kent, with accompanying booklet titled 'Life Pictures from the Kentish Hopgardens', each 15cm x 20cm, the album also contain numerous small format and a few larger format photographs.

Estimate: £100 - £150

---

### Condition Report

3219. The photographs are mounted into the album and some staining shows through as a result. Three of the hop-garden images have significant surface damage. Other smaller format photographs show some signs of fading and occasionally creasing. Please note, the hop-picking photographs may have been reproduced using a machine-print technique.
