## LOT 2008

A set of eight George IV mahogany bar back dining chairs with padded seats, raised on square tapering legs and spade feet, comprising two carvers and six standards, height 83cm, width 51cm (one standard later made to match), together with a 20th century reproduction mahogany 'D' end dining table, raised on reeded sabre legs.

Estimate: £200 - £400

---

## Condition Report

2008. All of the chairs have some woodworm to the seat rails but all appears to be historical and not substantial. As stated in the description one chair is a later copy. The other chairs have some minor repairs and later replacements, including one seat rail and a few later replacement stretchers. Two chairs have some minor repairs to the bar back joints but otherwise the chairs are in fairly good order.
