### LOT 12

Alfred Bright - 'Cloister's Grand National - 1893', watercolour and gouache, signed and titled, 46cm x 64cm, within a gilt frame.

Estimate: £300 - £500

---

### Condition Report

Some spotting to top-left corner, possibly faded but not significantly and colours generally okay. Paper rippling verso slightly. The one other thing to note is that the title and vignette titles (bar one) have been emboldened in ink, ink is used for details elsewhere so this is probably original, but impossible to tell.

Mount and frame are in good condition.

Unexamined out of frame.

### Provenance

Consigned from a local private vendor.
