LOT 303

A gold mounted oval shell cameo bar brooch, carved as the portrait of a bearded classical gentleman wearing a foliate wreath within a ropetwist surround, detailed '9ct', width 5.4cm, with a case.

Estimate: £150 - £250

Condition Report

303. The cameo is well carved and is in good condition. The setting is in good condition. The suggested age of the setting is 1930s although the cameo may date from prior to this. The case has a few exterior scuffs. Weight 7.1g.
