

Jewellery / Wednesday, 17th July 2019 / Lot 567

### LOT 567

An 18ct gold, coral and seed pearl ring, mounted with two rows of corals and a row of seed pearls to the centre, ring size approx M (one replacement imitation seed pearl).

Estimate: £80 - £120

---

### Condition Report

567. The head of the ring is a bit worn. The ring is generally rather dirty and would benefit from careful professionally cleaning. The seed pearls are a bit grubby. Suggested age - last quarter of the 19th century. Weight 2.4g.
