LOT 501

A gold backed and silver fronted diamond and turquoise brooch, designed as a heart, pavé set with circular turquoise and rose cut diamonds, fitted with a safety chain, width 2.8cm (formerly a locket).

Estimate: £350 - £450

Condition Report

501. The plain gold backing is of later date than the front of the piece. There is some variation of colour to the turquoise. The safety chain has been later added. The front of the piece is circa 1880-1890 whilst the plain yellow gold backing was probably done in the last fifty years. Weight 13.7g.
