LOT 2509

A 19th century Swiss music box movement, the 16cm cylinder and three bells playing eight airs on a lever-wind mechanism, the bell hammers with later-painted butterfly terminals, mounted within a later box.

Estimate: £80 - £120

Condition Report

2509. There is one tooth missing on the comb. The butterflies have all been re-painted and the nuts that attach the bells are later. The movement is currently working but in need of an overhaul.
