

Militaria, Medals and Awards / Thursday, 15th August 2019 / Lot 1831

### LOT 1831

A post-war percussion fuse dissection by Vickers-Armstrongs (Engineers) Ltd, within a mahogany fitted case, detailed to the front 'Sensitive, Direct Action, Percussion Fuze with Post Impact Delay, and Pyrotechnic Self-destruction, also Delayed Arming. 1956'.

Estimate: £40 - £60

---

### Condition Report

1831. Appears to be in very good condition. We can't comment as to whether anything is missing although looks complete.
