

Collectors' Items, Works of Art and Light Fittings / Friday, 16th August 2019 / Lot 2507

LOT 2507

An early 20th century painted pottery figure of a gnome by Johann Maresch, finely modelled holding a box camera, the base bearing impressed maker's mark and numbered '6860', height 57cm.

Estimate: £100 - £200

Condition Report

2507. Overall general wear to the painted surface and a few small chips, including a thumb size chip to edge of base, small chip to corner of camera and other small chips. No clear signs of restoration.
