## LOT 2508

An early 20th century painted pottery figure of a gnome by Johann Maresch, finely modelled holding a swaddled baby, the base bearing impressed maker's mark and numbered '6363', height 59.5cm.

Estimate: £150 - £250

---

## Condition Report

2508. Some overall minor areas of loss to the surface paint. A few small chips to the edge of the base, small surface chip to lower near edge of jacket and tree stump. His right arm has been broken off and re-glued quite well. A few other small chips around edges and to edge of baby's bonnet.
