LOT 2011

A 17th century elm six plank coffer, the hinged lid above a carved panel front, on shaped ends, height 41cm, width 93cm, depth 36cm.

Estimate: £100 - £150

Condition Report

2011. Some overall surface woodworm to top and more towards front edge, as well as a covering of scattered woodworm throughout. Replaced hinges and lock plates, as can be seen from the front. The right side has had a repair to the front foot and has supporting wood attached to the inner side. Also a repair to the rear panel in the same area. Overall scuffs and marks and minor loss to corners and edges commensurate with its age.
