LOT 2166

An Edwardian mahogany and satinwood crossbanded narrow bureau bookcase, the moulded pediment above a pair of astragal glazed doors, the fall front above four drawers, on bracket feet, height 91cm, width 70cm, depth 43cm.

Estimate: £40 - £60

Condition Report

2166. The top is matched to the base, as the bureau has a veneered top and not had a top originally. The three moulded trims around the base of the bookcase are all loose and need re-tacking to the edges. The bureau has a few small chips to the veneer and some minor scuffs and scratches. The drawers run reasonably well. The interior is ok with some slightly loose arched panels, but generally ok. Keys for top and base.
