

Glassware / Thu, 10th October 2019 / Lot 1618

LOT 1618

An Art Deco Moser amethyst tinted circular glass bowl, 1920s, gilded with an Oroplastic band, decorated with birds amidst scrolling foliage, beneath a flared faceted rim, unmarked, diameter 16.5cm (minor nicks).

Estimate: £40 - £60

Condition Report

1618. 4 minor pinhead sized nicks to upper rim edge, couple of small chips and a number of small nicks to base edge. Small air bubble visible to rim when held to light. Gilding in generally good order with typical light rubbing.
