LOT 2135

A French Empire figured mahogany work table with gilt metal mounts, the hinged lid above two drawers, on 'X' frame supports, height 76cm, width 55cm, depth 41cm.

Estimate: £100 - £150

Condition Report

2135. The top half of the table is ok with only some minor scuffs. The legs have some quite substantial loss to the veneer and the caps are slightly loose above the castors, which would just need re-attaching securely.
