LOT 2

Bryan Pearce - Newlyn all Round, 20th century monochrome screenprint, signed, dated '76 and editioned 45/75 in pencil, 48cm x 64.5cm, within a silvered frame.

Estimate: £100 - £150

Condition Report

2. Some foxing throughout. Adhesive tape stain showing through and running about 2cm away from the top edge horizontally across the entire print. Some minor age toning to paper. Unexamined out of the frame but spotting also to mount backing. Presumably it is not laid down due to the adhesive stain along the top edge. Frame is heavily soiled and dented.
