LOT 666

An 18ct gold and diamond two stone ring, designed as two hearts in a crossover design, Birmingham 1971, ring size approx J, and a gold and diamond three stone ring in a crossover design, ring size approx Q1/2.

Estimate: £130 - £160

Condition Report

666. Two stone ring - the diamonds are very small chips within white gold surround to give the illusion of larger diamonds. The ring is otherwise in generally good order with typical surface scratches and wear.

The three stone ring has a small repair to the shoulder.
