## LOT 2004

A small George III and later mahogany chest of four long drawers, on bracket feet, height 76cm, width 62cm, depth 46cm (converted from a commode).

Estimate: £80 - £120

## **Condition Report**

2004. The top has quite substantial old black marks over it. The conversion was done quite well with old oak drawer linings and there are no locks added to the drawers. There are some overall minor scuffs and marks, with some repairs to the bottom of the front feet and replacement facias to rear feet.
