

Collectors' Items, Works of Art and Light Fittings / Friday, 6th December 2019 / Lot 2625

LOT 2625

An Edwardian brass framed birdcage, enclosing a taxidermized bird, height 33cm, width 31cm, together with another smaller wirework birdcage, width 23cm.

Estimate: £40 - £60

Condition Report

2625. Larger cage - general condition is ok but one of the ceramic feeders has been badly damaged and repaired. The tray slide cover has come away from the slide and been wired to the side of the cage. Two glass panels are missing and it has overall surface discolouration. Two corners have come away from each other.
