LOT 516

A sapphire and diamond cluster ring, claw set with the circular cut sapphire within a stepped two-tiered surround, set with circular cut diamonds, ring size approx M1/2, with a case.

Estimate: £270 - £300

Condition Report

516. Generally in good order, some surface abrasions to sapphire and some typical wear and scratches to mount and setting. Slightly misshapen shank. Diamonds are bright, white and sparkly stones, but very small so no inclusions obviously visible. No obvious inclusions visible in the sapphire with naked eye, but a couple of lines visible under magnification. Sapphire approx 6mm diameter x 4mm depth. Weight 3.3g.
