

Clocks and Barometers / Thu, 23rd January 2020 / Lot 1157

LOT 1157

An early 20th century marine chronometer, the two day chain fusee movement with maintaining power, Earnshaw type spring detent escapement and bimetallic balance, the silvered circular dial with subsidiary state of wind and seconds dials and Roman hour numerals and inscribed 'Kelvin, White & Hutton, 11 Billiter St. London', in a brass bowl hung in gimbals within a lacquered brass mounted mahogany three tier box, the front applied with a circular ivory maker's plaque, detailed 'Kelvin White & Hutton London' and numbered '6190', total height 18.5cm.

Estimate: £800 - £1,200

Condition Report

1157. Overall good condition. Winds smoothly and is currently running but please be aware we give no guarantees to working order or reliability of any clock or watch. Dial is in good order. Lacquer to brass case has deteriorated, but no apparent damage to brass, just wear to lacquer. Case in generally good order, but there is a split across the top and some typical light surface scratches and wear.
