

Cameras and Scientific Instruments / Thu, 23rd January 2020 / Lot 1275

LOT 1275

A collection of various cameras and accessories, including a Nikon F camera with Nikkor-H Auto 1:2 f=50mm lens, a Kodak Retina 1b camera, a Franke & Heidecke Rolleicord camera (damaged), a Petri Flex camera and a Derek Gardner automatic 1:2.8 f=135mm lens.

Estimate: £30 - £50

Condition Report

1275. Generally Lot is in dirty and not particularly good condition.

Rolleicord is badly worn, black covering coming away from body and wear to black paintwork. Not working.

Nikon is dirty and does not fire.

Lenses look ok, if a little dusty, with some wear to paintwork.
