

Jewellery / Wed, 19th February 2020 / Lot 589

**LOT 589**

A gold, garnet and rose cut diamond ring, mounted with the cushion shaped garnet between rose cut diamond set three stone shoulders, detailed '18ct', a 9ct white gold and diamond single stone ring and a 9ct gold, turquoise and seed pearl cluster ring, with a case.

Estimate: £120 - £160

---

**Condition Report**

589. Gold, garnet and diamond ring - some minor chips to diamonds, only really noticeable under magnification, otherwise typical light surface wear and scratches. Would benefit from a clean.

White gold ring - good condition, typical light surface scratches.

Turquoise and pearl ring - good condition, typical light wear and surface scratches.
