

Jewellery / Wed, 19th February 2020 / Lot 581

LOT 581

A gold, amethyst and diamond nine stone square cluster ring, mounted with the square cut amethyst within a surround of eight cushion shaped diamonds, detailed '18ct', ring size approx N, with a case.

Estimate: £100 - £150

Condition Report

581. The ring is in generally good order but does have some typical surface scratches and wear. Diamonds are a little yellow in colour and amethyst has some zoning which is visible to naked eye.
