LOT 87

Henry Sperton Tozer - 'Peaceful Eventide', and 'After Toil, Leisure', a pair of watercolours, both signed and dated 1928, each 22.5cm x 33cm, both within titled mounts and gilt composition frames.

Estimate: £300 - £500

Condition Report

87. Both in good condition with no particular signs of foxing or browning. Possibly slightly faded as colours ever so slightly muted, but all commensurate with age. Mounts and backing are not archival, but do not appear to have caused anything significant. Both works have slipped slightly in the mounts revealing a line of inconsistent paint. Frames with damage and loss of composition to corners. Unexamined out of frames.
