## Condition Report

2015. The overall structure of the chairs is reasonably good, having had some level of restoration throughout the set. There are numerous repairs to bar back supports and some leg joints. Two chairs with quite clumsy re-glued joints to bar backs. A few of the chairs have missing roundels to the sides of the legs.

Carver - height 85cm, width 51cm.

Standard - height 85cm, width 47cm.
