LOT 635

A diamond full eternity ring, mounted with baguette diamonds, ring size approx K, with a case.

Estimate: £200 - £300

Condition Report

635. The diamonds look to be attractive clear white stones. It is marked to the side of the ring '7770'. In generally good condition with typical light surface scratches and wear, and slight wear to the sides of the ring. No significant damage or repairs. Would benefit from careful professional cleaning. Carat weight is difficult to calculate owing to the setting and small size of stones, but a very approximate estimate would be 2.5ct-3ct in total.
