LOT 13

Patrick Caulfield - And, with my eyes bolting towards the unconscious, from Some Poems of Jules LaForgue, screenprint circa 1973, 40cm x 35cm, tipped onto mountboard.

Estimate: £200 - £300

Condition Report

Generally in good original condition. The left hand edge is a little crudely cut. There is a small circular mark to the top right of the print. Other minor surface dirt. Seems to be adhered to the mount which has curiously been window mounted.
