LOT 48

Richard Hamilton - Kent State, colour screenprint circa 1970, signed and editioned 4248/5000 in pencil, 72cm x 92cm, within a stained wood frame.

Estimate: £200 - £300

Condition Report

Overall in good original condition. Minor age toning to paper. Some detritus trapped between glass and paper, this does not appear to have caused any staining. Possibly very slightly faded.
Frame with some scuffs and scratches to extremities. Unexamined out of frame.

Provenance

Consigned for sale by a private collector along with many of the other 20th century prints in the auction.
