LOT 1134

An early 20th century oak cased circular wall timepiece with thirty hour movement, the painted dial with Roman numerals and inscribed 'Jury Cramp Ltd, Horsham', with a moulded circular surround, diameter 34cm, with pendulum and winding key.

Estimate: £50 - £80

Condition Report

1134. The clock is in generally good order. Case is good. Dial is worn and a bit dirty/marked. The movement winds smoothly but the pendulum with the timepiece does not fit to the fixing, so unable to give any idea on whether it works. The pendulum is obviously not the correct one.
