Condition Report

2070. The exterior of the desk is generally in good order with only minor scuffs and marks. There are two small patches of restored veneer on left corner of frieze. The drawer handles have been replaced a few times. The interior drawer/pigeonhole section has dropped in the middle resulting in that section being quite crooked. The writing slope is slightly warped and one hinge is detached. One of the handles on the pull-out slide is detached.
