LOT 2601

A late 19th century French gilt bronze full-length figure of a classical maiden holding an oil lamp, standing on a craggy alabaster base, height 25cm, together with a 19th century gilt bronze figure of a medieval-dressed flute player, height 14cm (later mounted on a plinth).

Estimate: £60 - £100

Condition Report

2601. The figure of the lady has some overall minor surface wear and some hairline surface scratches, but is otherwise ok. The smaller figure, which is later mounted, has some overall surface tarnish, but is otherwise ok with only some minor wear.
