## LOT 505

A Victorian gold, enamelled, banded agate and cultured pearl brooch in a Giuliano inspired design, mounted with the banded agate to the centre in a beaded surround within a border of seven cultured pearls, glazed with a locket compartment to the back, unmarked, length 4cm (the pendant drop and one cultured pearl lacking).

Estimate: £300 - £400

## Condition Report

505. There is some damage to the enamel work, some of which is difficult to see. One pearl missing from the top. The piece is apparently unmarked. The onyx is in good condition. There probably would have originally been a pearl drop at the front of the brooch, this is now missing and replaced by a brass loop. Weight 13.8g.
