

LOT 2514

A small Regency tortoiseshell tea caddy, the interior with single lidded compartment, raised on ivory ball feet, width 11.6cm (faults).

Estimate: £80 - £120

Condition Report

2514. The lid is quite warped and has gapping between the top and side panels. There are sections of ivory missing around edge of interior. There are strips of metal stringing missing to edges of lid and one edge of main body. Also a small piece of wood missing to bottom of box.
