### LOT 2016

A Victorian ash and elm primitive Windsor armchair, raised on turned legs, height 99cm, width 60cm, depth 50cm (some repairs and faults).

Estimate: £50 - £80

### Condition Report

2016. The hoop back and seat have substantial historic woodworm, with a repaired section to the left corner of the armrest hoop. One rear leg appears to be a later replacement. There are some cracks to the seat panel, but the chair is surprisingly sound considering its condition.
