Two Royal Crown Derby peacocks, circa 1913 and 1918, one surmounted on an urn, the other on a tree stump, both surrounded by applied flowers and foliage, on gilt enriched scroll moulded bases, red printed factory marks to bases, height 16cm and 21cm.

Estimate: £100 - £150

## Condition Report

Considering the age and intricacy of both of these pieces they are in amazingly good condition with no restoration or cracks. There are some very, very minor nicks/losses to the applied petals and foliage, but these are very few and far between and only noticeable on VERY close inspection.

The gilding and enamels are in good order with no wear.

The taller peacock standing on the urn has some nibbled chipping to its head ornament.
