LOT 2069

A set of nine William IV mahogany bar back dining chairs, carved with acanthus leaves, the padded seats fitted over caned panels, on beaded and fluted legs, height 87cm, width 46cm (some faults).

Estimate: £250 - £350

Condition Report

2069. The overall surface of these chairs is quite worn, scuffed and marked, with some losses to a few of the heads on the legs and a few with cracks to the upright back supports. The majority of the caning is reasonable but some of the seat pads have been screwed down so cannot be inspected fully. There are a few other repairs to the front leg joints and other minor repairs and faults throughout.
