LOT 2050

A mid-19th century French mahogany console table, the grey veined marble top above a single drawer, on carved scroll supports, height 88cm, width 116cm, depth 45cm.

Estimate: £400 - £600

Condition Report

2050. General condition and appearance is good. The marble is intact and just has a few minor old nicks to the edges. There is a small piece of carved moulding missing to the left side of the drawer and some areas of restoration to the edges of the drawer and frieze. The rear struts are later replacements and the base has had some overall historic woodworm, as well as some general restoration of surface, including two small infills.
