

Jewellery / Wed, 13th January 2021 / Lot 571

LOT 571

A gold, opal and emerald pendant brooch, mounted with the oval opal within a surround of circular cut emeralds bordered by filigree decoration in an overlapping petal design, weight 12.8g, length 4.5cm.

Estimate: £140 - £160

Condition Report

The opal has a central crack across the stone, the opal has limited play of colour, mostly in greens and orange, the surrounding emeralds are of medium colour saturation, most have numerous internal inclusions some of which are surface reaching, several of these emeralds are damaged.
